

It is amazing to the writer that an article recently posted in the Edmonton Journal would state; Quote, “*Human beings were not put here simply to eat, multiply and die. We were put here to create, discover and wonder about things that are bigger than us.*” Journal page C3 Saturday July 14th 2012.

From the beginning it was not so! For man walked (was joined together) with God. That is, man was privy to **Absolute Knowledge** with no need for science. Man knew that God was the Creator of the “*big bang*,” the accepted theory of cosmology which is now a Scientifically proven theory of how the worlds came into existence. Man knew who formed and set the spheres in motion. Yes, man at one time knew his Creator and all about the tiny particle now called Higgs Boson without spending billions of dollars.

However man became separated from the Creator’s Love, Knowledge and Guidance through the temptations of an evil one. At once after disobedience man realized that they were in a wilderness, needing clothing for their mind and body. They all of a sudden found themselves separated from the Spirit that created them. Out of the Garden of Eternity, the place of **Absolute Knowledge** where no pain, suffering or death was.

Man soon learned that his loss of **Absolute Knowledge** had caused him to fall into darkness. He became locked in a paradigm where there was a perpetual struggle between right and wrong, good and evil, true and false!

Just look at the contention among governments, peoples and even married couples and siblings. You will soon see that when man was separated from **Absolute Knowledge** they became nomads subjected to the limitations of their own minds. They became full of suspicion and doubt, unable to see the evil one who was working in their conscience controlling them to their doom. Man walked in great spiritual darkness trying to find a way back to their creator through the religions they contrived, not knowing that they were actually worshipping the evil one. They could not with their own abilities alone find the wayback into His marvellous light.

At the time of the coming of the Messiah at the change of an epoch from B.C. to A.D. man was wandering about in the darkness of nakedness and yes, even cannibalism. This was one of the most horrible times in recorded human history!

Through mercy and grace the Creator came in the form of a man to redeem man by His pure Blood and said; “**before Abraham was I AM!**” (John 8:58) It had been recorded over several thousand years by the Prophets that the **I AM** would come and He came.

God’s proper name was given to Moses (Exodus 3:14-15) with this meaning; “**I Am** able to save and restore and bless with eternity that which was lost!” It is derived from **יהוה** and is interpreted **YH** in Paleo Hebrew. The Messiah came as it had been recorded He would, and opened the way back to **Absolute Knowledge**. His statement “**I am the way, the truth, and the life**” (John 14:6) was proven by His resurrection from the dead.

There were great earthquakes and a shaking of the temple mount rending in two the Vail. There were many who rose from the dead and walked into Jerusalem appearing unto many. (Matthew 27:50-53) It was proven that He really was **Absolute Knowledge** in human flesh, **The True Absolute Light!** To those who know Him, His name means Shua, that is “Salvation”. It is written Yahshua in Hebrew and Jesus in English. This is **The Great I AM!**

He opened to man the revelation of Himself and that He was the one written about who came in the volume of a Book over several thousand years without contradiction! To those who believe, to them He gives the right to the Tree of Life, the ability to come into Celestial Places with Him again in the third heaven of **Absolute Knowledge**.

To those who do not believe, they close the door to themselves forever and continue to wonder about. ***“Ever learning but never able to come to the Knowledge of the Truth!”*** 2 Timothy 3:7

The writer of the article in the Journal, Physicist James Pinfold in fact does make a profound statement in his commentary by saying, ***“We were put here!”*** However, he infers that man is in control of their own destiny and that without the help of the Creator man can come again to ***Absolute Knowledge***.

As well, other Physicists have made profound statements from their learning, but they too can only conclude that there is ***Absolute Knowledge*** out there. However, without the Spirit of God opening/revealing it, they will never find it!

Quote! *“Today, by making appropriate measurements, every scientist can see clear and unequivocal evidence supporting the view that creation indeed occurred.”* Professor P.A. M. Dirac, Nobel laureate from the University of Cambridge, writes: *“It seems certain that there was a definite time of creation.”* End quote. P.A. M. Dirac, commentarii, vol. 3, no. 24 1972, p.2.

There are other commentaries in multiple scientific journals by renowned scientists like; *“The Creation,”* by Professor Peter Atkins of the University of Oxford and *“The Left Hand of Creation,”* by Professor Joseph Silk of the University of California. And finally, a recent scientific article in the journals of physics carries the following title: *“Creation of the Universe from Nothing.”*

Apostle Bishop, Dr. John M. Strome, Th. D. Adm.D.

Quote! By Dr. David Kiner, Dean of I.U.B.S.

The “world” does not contain the books that should be written, John 21:25. The world has punched holes in the Fortress of the Apostle’s Teachings, causing much violence to the kingdom of God. Yahshua did miracles and wonders, fed them and walked on waters, and He calmed the storms. The world was amazed by all this, but could not understand His teaching or doctrine.

Yahshua said, “It shall be more tolerable for the land of Sodom in the day of judgement, than for thee.” (Matt. 11:24) Yahshua said, “All things are delivered unto me of my Father: and no man knoweth the Son, But the Father: neither knoweth any man the Father, Save the Son and to whomsoever the Son will reveal Him. (Matt. 11:27)

Dr. John M. Strome has written “In the Name of the Father.” He has written it so that a child could understand it. He has researched and uncovered many truths that should be written to mount up resistance to the educated world who “savourest not the things that be of God, but those that be of man.” Matt. 16:23.

With his extensive Theological training, prayer, praying in the Spirit, the Holy Ghost has taught him All things that concern the Fathers’ Name. To teach to the world the “Gospel of the Kingdom [Matt 24:19] for a witness unto all nations; and then shall the end come.

Dr. John M. Strome holds a Th.B., a Th. M, a Min. M., a Adm.D. in world missions, and a Th. D. from the Ohio District Board of Christian Schools of the A. L. J. C., Ohio U.S.A. He is a professional businessman with extensive world travel, conducting His affairs with the world’s heavy industrial sector by day. During the evenings, and weekends, Dr. Strome utilizes his time while away from home to conduct the Lord’s business, while in foreign countries. Several trips have been made to Africa, mainland China, India and many other countries throughout the world.
