

PREFACE

Dr. David L. Kiner who lectured on this subject spoke with great understanding and anointing. He began by saying; ‘I realize that to speak against any system that is established in the world will invite the wrath of many people. By presenting this subject it is not my intent to be bigoted or judgmental of others. As we talk about this system I have no one in mind, no individual or personality. What we are teaching is what the

Bible already says about a false religious system. We are admonished by the word of God to study, showing ourselves approved unto God, a workman that needeth not to be ashamed. As a Christian our desire is to please The Lord Jesus Christ so we ask Him to anoint our hearts and minds to receive the un-adulterated word of God so that we can understand this religious system the Bible speaks against. It is the duty of God’s called and Sent Ministers to speak out as he is instructed by the Holy Ghost, thus revealing what the Word of God says.’

About Dr. David L. Kiner¹

Text for this lesson: Revelations 17:1-7

Read: 1 Timothy 4:1 & 2 Peter 2:1-2

They speak about satan's church, witchcraft etc., and souls that are seduced in it.

There are two words in these scriptures that Apostles Peter and Paul by inspiration of the Holy Ghost brought to our attention and preserved. It is imperative that we get clear in our minds what the Spirit is revealing to us by the Apostles. They are trying to convey to us the treachery of *half truths* found in wicked spiritual darkness; the gross demonic kingdom that is in this world in its’ many forms. Without prayer and revelation from God, we can never Minister to others this revelation of what satan’s devices really are which he uses to destroy the worship of the One True God, Jesus Christ!

First, lets talk about the word Paul used in 1st Timothy; **“*SEDUCED*”** which means to draw away from

1

DR. DAVID L. KINER was a Pastor, Teacher, Preacher and Professor educating world wide until his passing from this life in 2000 A.D. He is missed by all that knew him. He held many degrees both secular and religious before passing to his reward. One of them was a Doctorate from the prestigious Trinity College of Indiana, graduating *summa cum laudi*. He also had a doctorates in Monotheistic Theology and Divinity.

It is interesting to note that one of his four doctorates was based on an impressive thesis, ‘**THE ONENESS OF GOD!**’ Doctor Kiner held the Oneness Doctrine of the Godhead as the focal point of his ministry and salvation.

He earned a degree in engineering and helped develop a jet fighter plane for the U.S. armed services and was a procurement officer at NASA.

He was a teacher of teachers. His ministry took him to Camp Meetings and missions fields as far away as China. In China he preached with Dr. Strome in underground churches and baptized precious Chinese people in the name Jesus for remission of sins.

He was president of the International University of Biblical Studies, Ohio Branch, for several years and served as Director on the board of I.U.B.S. in West Virginia U.S.A. and as their Dean of the University.

Dr. Kiner spoke five languages fluently. Hebrew, Latin, Spanish, English and French. He traveled extensively in Europe and was present at the tearing down of the Berlin wall, where he was arrested by Communist Berlin police and later released.

It is an honor to include his writings in this study. They are presented with written permission of his wife, Mrs. Hazel Kiner.

the path of right, or from your duty, by flattery and promises with the intent to lead us astray and persuade us to do wrong. Jesus said; "Come to me and have life" Jn 5:39-40. Satan is always trying to entice the Christian to doubt God's word. You will be hated for the name of Yahshua (Jesus) (Matt.10:22). Satan's system is trying to devour² us for we are in a war.

Second, lets talk about the word Peter used in 2nd Peter 2:1-2; **"PERNICIOUS"**. This word has three root meanings, Destructive, Harmful and Deadly. Peter is saying that people are being led away by destructive, deadly and harmful ways. We see that Paul is saying that people are being seduced, drawn away, led astray, flattered and persuaded to do wrong. When a system behaves like this, those involved in it are working for the devil, even though they themselves may not know it for they are also deceived through seduction.

Satan came to steal, kill and destroy (Jn 10:10) and lead away from the path of righteousness. 2Thes 2:12 states; *"That they all might be damned who believe not the truth, but had pleasure in unrighteousness"*. Now today as we thread our way thru the word of God we find that God is picturing in His word a religious system, a religious body of Great De-generation and Corruption.

This antichrist system did not start in Rome, the forth Kingdom of Daniel 2:32-33, nor in Greece, Media Persia or Babylon. These all promoted and practised the doctrine (teachings) of the system which was already started way back in Genesis 3:15 which Moses recorded when he saw spiritually the beginning of God's creative acts.

When satan was told by God that there would be *"enmity between thee and the woman, and between thy seed and her seed"*, war began. Satan went out and started a religious system that would fight against the plan of God by any means, force, flattery, seduction and evil ways to destroy the truth that would make men free from bowing down and worshipping satan. Satan's motivation was pride.

Satan has a religious system that is supported by the powers of hell. This system is corrupt and has no ethics or morales. This system is full of mal-practice and has been destructive and deadly from the beginning. The bible tells us that this system seduces by its pernicious ways the hearts, minds and souls of men and women bringing them into a doctrine that is very erroneous and heretical. Here is a church that gives lip service, that is bound by ceremonies, rituals, pomp, finery and sensuality. It is known as the Great Harlot Church, The Mother of all harlots (Rev 17:1-7).

The bible goes on to describe her as a whore. An adulterous of course, is one who is unfaithful to the one she is joined to in marriage. This harlot is a system which claims to be the Bride of Christ, but has become an adulteress and has desecrated and prostituted the vows of marriage. She has gone so far from God that the Bible says she is an adulteress and an harlot. The influence of this harlot is not limited to the locality of where its headquarters are but its influence has spread North, South, East and West over the whole Planet that we live on. Yes, it has touched every corner of this earth. Their power is great, their influence is great and their wealth is great.

This writing is a picture of a system that has reached into all aspects of life in every part of the planet earth. It has left an impact on the hearts and lives of people in great measure. It has in-twined itself into people so greatly that it is hard to reach some people who have been in this system for a long period of time. Generations and Nations are engulfed in it and have their roots all the way back to Cain and then Nimrod at the Tower of Babel. This is not just any Harlot, but a great Harlot as John described her in Rev 17:1-6.-*"She is drunken with the blood of the saints"*.

² 1Peter 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

This sets her apart because she has more influence than just any other harlot that stands around. This sets her as one that is distinct in her position, not just any system. She is arrayed in purple and scarlet; decked with gold precious stones and pearls. A golden cup full of abominations and filthiness (Rev. 17:4). She is dressed with the colours of royalty and has all the wealth that belonged to the reigning monarchs of past dispensations or generations. She is full of sin and filthiness of her fornication. She is (right now) in the process of enticing all the heads of state all over the world. She is bringing kings under her power as she has done in the past.

When they drink from the cup of her hand they become stupefied, they become delirious, they become diluted by the pomp and prestige, her wealth and influence. This system has been working to produce what is now known as the Common Market, or European Economic Community (EEC). This is also called the Treaty of Rome, effective from January 1st, 1958. The Common Market (EEC) came into being by the wealth of Rome and is also called Mystery Babylon.

This system, right from the beginning of the Common Market contributed the first some of money to begin the procedures of bringing nations together under one ruler. Practically all EEC nations are located in the ancient (geographically speaking) area that was once known as the kingdom that Daniel spoke of as being the legs and feet of Nebuchadnezzar's image, (Daniel 2:40-45) and the beast of Daniel 7:7.

Where did this harlot system come from? How far back did it begin? Where did it start? How can we trace its history? In Revelations 17:5, John says "And upon her forehead was a name written, MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND THE ABOMINATIONS OF THE EARTH." She is identified to us as a mysterious body, shrouded by mystery all the time. Its children and offspring know very little of this system's mysteries. Very few people know enough about it to talk about it.

In order to identify Babylon we must go back to the book of Genesis and read the Genesis record. Gen. 3:15 says, "I will put enmity between thee and the women, and between thy seed and her seed." This statement sent a message that Satan caused the murder of Abel because Cain was deceived to believe that Abel was the blessed seed (Ge 4:4-5). God had received Abel's offering and blessed him but did not receive Cain's. We then see that Cain murdered Abel in anger because he was of that wicked one (1Jn 3:7-12). Cain was not sanctified by his parents for he was conceived when his parents were in sin. By this we are starting to see that there are children of God (sanctified) and children of the devil (evil). John states "marvel not that the world hate you".

When the children of Cain and the seed of Adam began to intermarry their deeds became evil and the Lord decided to destroy man from off the face of the earth (Ge. 6:5-7). Noah however found grace in the eyes of the Lord (Ge. 6:8). There was a great flood and all were destroyed but Noah, his wife and family, a total of eight in all.

Now the three sons of Noah are Shem, Ham and Japheth. Shem was the father of the Shemitic Race, or the people of the Eastern Race such as the Chinese, Japanese and the people from the far east to the Jews of the middle east. Japheth was the father of the Japhetic race such as Germany, England, Finland and all the countries of Europe including the countries in the south east such as Turkey and the far south west to Spain and many peoples in Russia. Ham was the father of the Hamitic Race who settled also in the Middle East and South. They were in Babylon, Nineveh and made up the Canaanite. They also spread into Africa.

Today many of these races have inter-married and it is hard to see which people are actually of Shem, Ham or Japheth. At the time the writer of Genesis was telling of these three races he began to talk of Nimrod in Ge 10:8-10. Now Nimrod's father was Cush, the son of Ham. Cush called his son "*Nimrod*" because it meant "*Rebel*" and beyond that it means "*Hunter*". Not a hunter of wild animals but a hunter of men. This man became the arch apostate of the post diluvian period. He is a man that became "Anti-God" all together and he rebelled against every ordinance and every statute and every law that God had for man to live by on the face of the earth

at that time.

He was a very strong man as far as his personal ability was concerned from all indications. He was able to rally to himself all the people on the earth in this ancient time. It may have been only a few thousand or so, but never the less, this man was able to get the people unified in their thinking. He brought them together to rebel against God and build the tower of Babel. **I want you to notice that this man built the tower of Babel according to Ge. 11:34 which was not of stone and mortar, but of inferior "Brick and slime"**. It also tells us that he travelled on a journey from the East to a place that was away from the presence of God to build this tower.

A place where God's light (conviction) was not shining and an area away from Eden. He wanted to construct this tower as far away from God as possible. Now brick is inferior to stone and slime is inferior to mortar. The bible talks about building on the **"ROCK"**. It does not teach us about building with inferior products of slime and brick. Slime sounds awful, but that is what Nimrod used in the building of the tower of Babel. So this tower was built with weak material and not built with strength. It represented rebellion against God.

Nimrod married a woman by the name of Semeramus and this woman was a high priestess. In time she instituted a religious system and she became the high priest of this system. She made herself and her son an object of worship in that day. This worship is known by different names. At one time it was called the Babylonian Cult. It was also known as the mystical brotherhood and in other times it was called the Mother Child Cult. She instituted also a dogma and creed that this son was not born as a result of a union with her husband Nimrod. She claimed it was a supernatural birth.

She actually claimed the promise of Ge 3:15 relative to the words of God when he said; "it shall bruise thy head and thou shalt bruise his heel".

Satan at one time was close to God. He knew the plan of God as far as the future was concerned, but not how the future would come about. After satan rebelled and was cast out it was satan's plan to imitate God in minute detail. He felt that many people would be deceived to believe the plan he was working was actually the plan of God. By satan's plan many through the ages have believed a lie and have been damned to hell. Satan has won many away from the Messianic truth of Jesus Christ.

So we see that in the person of Semeramus the wife of Nimrod, a plan that brought the Mother Child Cult; As this high priestess, she began to bring in a strong and powerful system. The believers that were adherents to this cult, or system, grew and spread themselves way beyond the area that they started from in the land of Shinar. It continued on to the city of Babylon, then to Pergamos which became the seat of satan (Rev 2:12-16) and into the church of Thyatira (Rev 2:17-29). In time it moved on to Rome and then from there to the uttermost parts of the Earth. It does not matter what part of the earth you go to, you find the pagan doctrine of the mother child cult system.

I am reminded of the words of Jesus in Matthew 24:14 *"and this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."* Now if satan's system preached the truth the end would have come and Christ would have returned many years ago. You see, they are not preaching the truth, they have reached the world centuries ago over and over again until today their influence has reached even back into most of the protestant denominations. Rev. 13:3----*"and all the world wondered after the beast."* Vs 4----*"and they worshipped"*.

It is not my intention to be bigoted or to insult or to hurt, God forbid: yea, Let God Be True and Every Man a Liar: as it is written-----, but I do intend to reveal and expose the demonic lies that have deceived and seduced man kind until every culture, every tradition and every race has been swallowed up in the false system. The devil's insertions have caused precious souls to, *"believe a lie"*, 2Thes 2:11.

Their mouths must be stopped or the whole world may become guilty before God. (Ro 3:19). That spirit of iniquity is already, and has been working in the world. *"Satan with all power and signs and lying wonders"-----'because they received not the love of the truth'. (2Thes 2:1-17).*

Once again; All the time in every country where the influence of this system spread there was always the mother child cult involved. Every time images and statues of this cult are made you see a woman and a child, the child clutched to her bosom with a halo around the mother and babies head.

Semeramus went beyond the declaration that the son was born supernaturally, she also proclaimed and instituted to everybody that her son had been killed during a hunting expedition and that he was going to come back to life again in a few days, trying to copy God's plan in detail without missing anything. Sure enough, after 3 days or so she proclaimed to her followers that this young man who she called Tal, or Tammuz had come back to life.

If you'll remember in the book of Ezekiel, 8:7-18 they worshipped the sun (Isa. 28:7-8). God talked to this prophet and told him, I want you to go to the city of Jerusalem and enter the temple, into the court where he saw a hole in the wall. He wanted him to dig in the hole and he found a door. He went in a room and found it full with every form of creeping things. Abominable beasts, with all the idols of the house of Israel portrayed upon the wall round about. Seventy men, the ancients of the house of Israel stood in the dark, every man in the chamber of his imagery saying, "The Lord seeth us not; the Lord hath forsaken the earth". He also said, Turn thee yet again and thou shalt see greater abominations that they do." As they looked north "there sat the woman weeping for Tammuz". (vs 14) and in vs 16 they *"worshipped the sun toward the east."*

Now we see Tammuz is mentioned in the Bible. He is the son of Nimrod and Semeramus and is said to have been born immaculately or in a supernatural way. Who had died and then was brought back to life again. As a result of this resurrection back to life, his mother declared a feast that was to be known as the feast of Ishtar. For she went by several different names aside from Semeramus, she became known as Ashtor-roth, also as the goddess of Ishtar the goddess of love. In this feast they celebrated the resurrection of her son Tal or Tammuz and part of the celebration or festivity they would be colouring eggs as well as the baking of small loaves of barley.

This religion went beyond Babylon, it went into Phoenicia and into Pergamos, Egypt. Everywhere it spread it had the mother child cult, the mother child doctrine with the exception that the names changed in every country. For example in Babylon they were known as Tal and Ishtar or Tammuz and Ashtoreth. Now when it came to Egypt they were known as Isis and Horus.

The religion invaded Greece and became known as the Aphrodite and Eros cult. It moved to Rome and they worshipped Venus and Cupid as well. In Mexico, in an area where Indian tribes once lived, an archaeologist unearthed some temples. In the ruins of the temples they found some images of the mother child cult that dated as far back as 200 B.C. Now all over the world there were temples built to this mother and son.

When people would come in they would bow down to them and make the sign of the T, which had originally stood for Tal or Tammuz. In every country the people made the sign of the T or an X or the sign of the cross as they do in the religious system of today. Every time today that you walk into one of this systems temples, shrines, cathedrals or churches you will find a statue of this mother with a child clutched to her bosom with a halo over both their heads.

The only difference is that they now use the names of Mary and Jesus in this mother child cult. Every time the people come by this statue, they kneel before it and make the sign of the cross. Remember back in Israel's time that this system made its way in among God's people. The name of this god was Baal and his wife was Baalite. Interpreted it is, My Lord and my Lady. If you remember in I Kings chap. 18:7 when Elijah reproves Ahab, Ahab says *"art thou he that troubleth Israel?"* In vs 18 Elijah answers "I have not troubled Israel, but

thus and thy fathers house, in that ye have forsaken the commandments of the Lord, and thou hast followed Baalim. Vs 19,"now therefore send and gather to me all Israel unto Mount Carmel, the prophets of the Baal 450 and the prophets of the grove 400 which eat at Jezebels table." We see Ahab gathered them at Mt. Carmel. Vs 20 the contest was, *"If the Lord He is God, follow Him, but if Baal, then follow him"* vs 21. When Ahab took reign over Israel he followed after the sins of Jeroboam. Ahab married Jezebel the daughter of Ethabaa King of Zidonians. Ahab then began to worship Baal. He built the house of worship and an altar in Samaria.

Even Judah was affected when Jehoram the son of Jehoshaphat, King of Judah married the daughter of Omri (IIKings 8:26). Her name was Athaliah, who after the death of their son Ahaziah (II Kings 8:25) took the throne. After Ahaziah died, Athaliah arose and killed all the royal seed II Kings 11:1-; but Joash was hidden.

Through Joash the blessing that came through Jacob (Ge 49:10-11 *"the sceptre shall not depart from Judah, nor a law giver from between his feet until Shiloh come; and unto him (Shiloh) shall the gathering of the people be, binding his foal unto the vine; he washed his garments in wine and his clothes in the blood of grapes!"*)

We note that the scripture states that even Balaam (Numbers 24:16-25) said ***"there shall come a Star out of Jacob and a Sceptre shall rise out of Israel and shall smite-----."***

Remember that Pharaoh of Egypt feared the sons of the Hebrews and he ordered all of them thrown into the river and killed (Ex 1:22----). Herod upon hearing of the birth of the child Jesus from the Magi ordered that the child be destroyed. Matt 2:7-18 records *"every boy two years and under should be slain"*.

What an effort satan has made to stop the birth of the promised Messiah, from Abel to the baby Jesus the Mystery Babylon system has flourished with fake Messiahs. All have died, but Jesus Christ who was crucified rose from the dead and led captivity captive on the third day.

All these isms and systems of the Nimrodish beginning have died and been buried without resurrection, but our Jesus Christ lives, praise be to God. Never the less as Israel allowed the demonic doctrine in, it brought the certain downfall of Israel, the northern kingdom in 721 BC to its enemy Assyria and the southern kingdom of Judah in 588 BC by its enemy Babylon. Remember the name Baal meant the Lord in the old language and Baalite means "my lady".

Today the name Madonna is used to name this woman and the systems mother child cult. Madonna means "my lady" as well.

The names have changed from language to language;

At Babel it is;	Nimrod	Semramus	Tammaz
In Shinar it is;	Anv	Ishtar	Tal
	Nanna	Inanna	Tal
	Ashtoroth	Astart	Tammuz
In Israel it is;	Baal	Balite	Chumuz
(Ge 31:19-35)	Merodach	Ashtoreth	Chumuz
In Egypt it is;	Houras	Tris	Adonis
	Eros	Aphredite	Cupid
In Greece it is;	Marduk	Artemis	Cupid
In Rome it is;	Vulcan	Venus	Cupid
	My Lord	Dianna	Son
		Madonna	

The names have changed from language to language until they now come to us in the Latin and English,

but they give the same meaning and represent the same cult when you trace the words back to their roots. Satan's system through Nimrod still exists today.

I realize this lesson brings criticism and accusations of being a bigot because we talk about someone's religious beliefs, but the truth is the truth. We need to be warned so that we may have a chance to find the truth if our heart truly is honestly seeking it.

Back in 1988 I went to a city of Rome and visited all that was to be visited. I found for sure the Vatican is a self rule government. When visiting the Catacombs I noticed in an underground church a baptismal tank of stone. On the platform engraved in the front of the tank was a picture of a man being baptized in water.

Over the tank in latin was written that Gaius Flavins had entered into the death, burial and resurrection with Jesus Christ and was going to raise to be a Christian witness. As I read the Latin in English to my son in law Brad, a Vatican officer came up to him and said, "don't listen to me and that I was lying." I have taken Latin for four years and received an "A" speaking in Latin.

In the city of Pisa (leaning tower) I went into the Baptismal building outside of the church. Thirty people could easily be baptized at a time. The record shows that as many as fourteen hundred were baptized in a single day, buried with Jesus Christ until it was stopped by the Romans.

This system has done more to pollute the gospel than to help it. Rev 13:3--- says, *"all the world is wondering after the beast"* (Dan 7:7). Now the book of Revelations tells us that this system is in the form of a scarlet women. Every system, weather true or untrue is described in the Bible as a woman in the feminine gender.

The Babylon system is portrayed to us in Rev 17:1-6 as a purple and scarlet dressed women (VS 4) decked with purple, scarlet colours, precious stones, gold and pearls all over. It is not strange that the colours used were scarlet and purple. As we travel today you will note that all the systems buildings have a showing of scarlet and purple on their signs. It is not a secret that the wealth of this system is just slightly behind the wealth of the U.S.A. During our trip to Italy in 1988 I was in Rome at the Basilica of St. Peter. As I looked at the dome I saw it high in the air, rising 425 ft. Upon entering into the Basilica I saw a building more extravagant than anything that I had ever seen in the world. The Vatican is built upon seven hills and has a large wall around it separating it from Rome and the governmental systems of Italy.

Rev. 17:9 says the seven heads are seven mountains on which the woman sitteth. I looked at this and trembled because of their wealth and influence. On Jan 1st, 1958 the Vatican funded the EEC and it was called the treaty of Rome. Later I was in the coliseum and saw the tunnel to were they fed the lions. You could almost hear the blood of the saints crying out "we died for the name of Jesus". In the catacombs these words are written on the walls by dying saints. We saw great wealth in paintings at the Cistine Chapel, archways and grander and beauty. It is estimated that the average amount spent in there in one day is \$13,000/day or \$4,745,000 per year in odds and ends plus tickets.

The whole world is taken up by their pomp and ceremony and doctrines. The buildings were filled with statues, caskets and mummified previous popes. They put glitter and gold on a large gold and jewelled throne at their burial sites. Peter warned (2Pet 2:1-2), Pernicious ways.

Peter was never a pope and the scripture tells us in Matt 16:18 that upon the solid Rock of the Word of Jesus Christ God's kingdom would be built. Many governments are building on Rome and following the pernicious ways of this bastard system.

When I was in a religious organization in the United States I was ordered to join a ministerial counsel.

They are a part of the world system through the world counsel of churches which is under the control of the Babylonian system. As you know, the Vatican worked out the communist problem of Russia and Poland. The Roman church in 1977, Rome Bureau predicted the fall of communism. In China I learned that the Chinese hate the Catholic system because of its politics, therefore they lump all Christians into the same system. However, first hand reports advise that there is 25,000,000 million born again Christian believers in China underground and not accounted for by Rome. Vietnam was a Catholic war.

Denominational church fathers have been calling their numbers to merge back in with Rome. Some of the statements that have been made are;

1. Episcopal Kilmer Myers (Calif): Get rid of our differences and let us joyfully acknowledge the Pope.
2. Lutheran Dr. Has Christian Ashmussin: Top Lutheran clergy want the church to give back the authority of the church to the Pope as the father of the church.
3. Methodist Bishop Ford Pierce Carson: He describes the church as having a need to join together and recognize the Pope as their head spokesman.
4. Episcopal Bishop Stewart Whitmore: The first protestant to speak in the catholic St. Peters cathedral in New York saying a mighty wind of unity is sweeping away divisions and most of all the real problems that split the churches from Rome are no longer the real issues. In time they shall be healed and unity shall prevail.

Not long ago in Israel the Jewish guards shot two invaders on their territory. As they checked their dog tags they found both had a medallion with the mother child cult. *One of the invaders was a Catholic and the other was a Muslim, both wearing the same medallion.*

The medallions had a cross on one side and a crescent and star on the reverse side of the medallions. Both said allegiance to Mary. The pernicious ways of the false system is increasing. Our responsibility in this last hour is to preach the gospel of the kingdom of Jesus Christ to all the world.

We do not have to fear this system, for our heavenly Father will not leave us comfortless nor will He allow us to receive more than we can bear.
