

After a 35 hour long trip from Western Canada to Kuala Lumpur we reached the land where our prayers and visions had showed us we must gather together with Him for Him. As we gathered our luggage and turned we noticed a great gathering of Saints to greet us and truly it was a wonderful welcome to Malaysia.

There were tears of joy and gladness with laughter and elation in our faces as we met so many, some we knew and others we now know well. Just the atmosphere alone of God's presence electrified us all as we wept and prayed knowing that the Hand of the Lord Jesus was upon us all for a purpose yet to unfold.

Instantly we became the Body of Christ with Apostles, Bishops, Pastors, Evangelists, Teachers and Prophets, the 5 fold ministry among us from many regions of the world. At the KL (Kuala Lumpur) airport there was faith, great faith and expectation in our hearts. Without saying, we knew there was a mission ahead of us, not knowing how the Lord would lead.

Surely the Lord will break the yokes and bring Praise and Glory to His Name was our expectation!

Isaiah 58:6 "let the oppressed go free!"

The commission that was in my heart came from Ezekiel's writings; 34:16 *'I will seek that which was lost, and bring again that which was driven away, and will bind up that which was broken, and will strengthen that which was sick: but I will destroy the fat and the strong; I will feed them with judgment.'*

As we left the airport with great anticipation of a good nights sleep, someone asked me, "what do you feel in Malaysia?" I couldn't help but say that I am at peace in my spirit! As I write this short essay the scripture comes to my mind; Isaiah 26:3 *'Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.'*

The Malaysian constitution guarantees freedom of religion while making Islam the state religion. According to the Population and Housing Census 2010 figures, ethnicity and religious beliefs correlate highly. Approximately 61.3% of the population practice Islam, 19.8% practice Buddhism, 9.2% Christianity, 6.3% Hinduism and 1.3% practice Confucianism, Taoism and other traditional Chinese religions. 0.7% declared no religion and the remaining 1.4% practised other religions or did not provide any information.

As we drove to the hotel it was not hard to see that this was a land of milk and honey. The infrastructure was every bit as modern as anywhere else that is called the modern world. Traffic at this hour flowed freely as we peered from our windows at such beautiful landscape. The millions of oil palm trees were everywhere as we approach the city. They then gave way to a busy city full of man made beauty with its' varying amazing architecture.

KL twin towers and a view of the centre city parks area.

Leaving the hotel on the following day we drove around the city a bit and came to the place of the main meeting where more than 3000 would gather together. In such a warm tropical equatorial climate, we struggled up the silent long escalators to the main ball room area in the Ideal Conference Centre. Hastily they were preparing it for our meeting which would take the following day.

When we entered this amazingly large lavish room with video screens and padded covered chairs the Lord began to make real the vision I had seen twice, the second time being when Sister Saral called for KK David that we should come to Malaysia and by faith we came! Together we prayed and the Lord gave us a wonderful manifestation comforting us all.

WE GATHERED TOGETHER IN ONE ACCORD SMALL & GREAT!

AND WE PRAYED AND WORSHIPPED JESUS OUR LORD & GOD

AND WE WERE BLESSED IN MANY WAYS BY THE SPIRIT OF OUR GOD!
