

THE BOW over JERUSALEM!

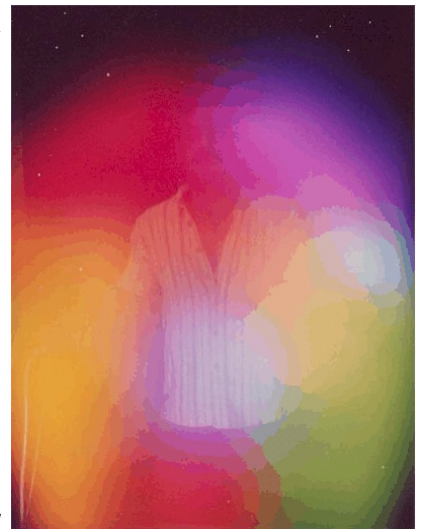

According to historical archives, a bow has not been seen over Jerusalem before. And yet, here we see it, a sign in the heavens in April 2010 worthwhile contemplating. Heaven is God's throne and the earth is His footstool!

It is written that in heaven His throne is surrounded by a bow! Ezekiel records that over their heads was the likeness of a throne and it had a brightness round about it like a bow. This was the appearance of the likeness of the glory of the LORD. Ezekiel 1:22-28. *"And I will shew wonders in heaven above, and signs in the earth beneath.....before that great and notable day of the Lord come"* Acts 2:19-20.

It is now proven by advanced Aura cameras that all humans have an Aura similar to the picture of the young man to the right. All Auras are like unto a bow with many colours. Auras were first accidentally photographed by Semyon Kirlain in 1939. The methods of viewing them have been improved on ever since.

The life (spirit) that causes us to be a living soul comes from God who is described clearly in Revelations as to look upon like a jasper and a sardine stone. Revelations 4:2-3 1881RV *"And immediately I became in spirit: and behold, there was a throne set in heaven, and upon the throne sitting; was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne, like an emerald to look upon."*

THE BOW over JERUSALEM!

Since God is a Spirit, He has no form. However, for us to live in a physical earth we who were created in His image (spirit) had to have a body to contain the soul. Hence, we see and feel things from people when we pass them. Sometimes their Aura is like darkness causing fear repulsing us and other times it is like light encouraging us to be around them. Hence there are those who serve God and others satan!

When the Spirit of God was manifested in flesh the writers speak of Him as; *“light and in Him is no darkness.”* 1 John 1:1-5 By reading the scriptures in Ezekiel and Revelations we see that the light has many colours.

During a trip in March of 1989 to Sulphur Louisiana on my way to church, I was meditating on the things God had put into my mind at that moment of time. While passing an open field an Aura appeared unto me and I saw a rectangle shaped rainbow larger than the size and shape of a 40' container hovering on the earth. As I intently looked upon this marvelous sight it seemed to be pulsating like an energy field. I kept staring at it until I passed well on by.

Now, since the Bible states in Acts that we live and breath in God and that all life would perish if He took His Spirit off the earth, what I believe I saw was a manifestation of His Spirit on earth, similar to the vision Moses had of the bush that did not burn. I believe it was a representation of His footstool. We are actually created beings in a sea of Spirit, kind of like fish in a sea water. God's Spirit is all around us.

This Glory which I have seen and now write about manifested over Jerusalem which to me was a sign to His children of light. There are those who are now saying peace and safety but destruction is coming as a thief in the night! However God's Elect Lady is not in darkness but they are children of light. 1 Thessalonians 5:1-8 Jesus Christ is about to reveal Himself openly and in all those who have made themselves ready.

If you are troubled, rest with us in Christ Jesus who shall be revealed from heaven, taking vengeance on them that know not God, that obey not the Gospel. When *“He shall come to be glorified in His saints and to be marveled at in all them that believed.”* 1 Thessalonians 1:7-10. Those who do not believe now will certainly marvel at the Glory of our Celestial Bodies after we have been changed in a moment, in the twinkling of an eye.

Jesus said; Mt 6:22 *“The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light.”*

As I sat on the rostrum worshiping with the saints, a vision opened. This time it was again the appearing of a rainbow in colour and shape, but it was VERTICAL and a straight line! It was not like a curved bow nor was it horizontal like the one over Jerusalem. I spoke about it to the congregation for 5 minutes or so as a testimony, not knowing later I would be the main speaker. Actually, God spoke into my spirit and used my lips to make the thoughts audible. Without hesitation, the meaning of the vertical bow was, ***JESUS OUR GOD IS SOON TO DESCEND IN GLORY WITH HIS SAINTS.*** Yes, very soon we will be caught up to meet Jesus Christ our Lord in the air. 1 Thessalonians 4:17 *Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.*

The message that morning given to me was later preached by me from Isaiah chapter 6 and Titus chapter 2. The message spoke of allowing God to prepare us so we could be His possession and about the throne and the revelation of Jesus Christ. This was my text scriptures, however, I did not know I would

Speak prior to coming to church. I also did not know that it was a youth service and that two youth department Sisters had been asked to decide who would speak that day. Neither one of them felt capable to speak the message and did not know who could, since in their spirit there was trembling; the feeling in them was too strong.

So they prayed not knowing the Lord was sending me. When they saw me testify of the throne and the rainbow prior to selecting a main speaker, they soon knew who was to speak. They told their Pastor that Dr. Strome should speak the message.

What a wonderful confirmation of the vertical rainbow! For the two text scriptures given to me was given to the two sisters. One sister was given Titus 2 and the other Isaiah 6. ***To God be the Glory who establishes all things by two or three witnesses! 2Co 13:1In the mouth of two or three witnesses shall every word be established.***
