2.0 THE PENTECOST MIRACLE 29 AD. - THE CONNECTION OF THE SOUL WITH ITS' CREATOR!

In the event of Pentecost, the lost legislation of mankind was reestablished. From the beginning of humanity it was founded upon the permanent law of the conscience. At Pentecost it became a reality again that God rules in the kingdom of men. Daniel 4:17. The whole distinguishing character of the twenty centuries which separate us from that event was to typify and foreshadow the eternal kingdom of God that will soon dominate and rule the world forever. At that moment, and with that sound, the true temple of God opened.

2.0 THE REFORMATION OF SOUL & SPIRIT REFORMED THE WORLD; THEY REMODELED THE EARTH BY LIVING FOR HEAVEN! Quote! "In the seven fold succession of leading men from **AD 29** to **AD 254** we find more or less, a mixture of the *two elements of all intellectual and ethical life*. Some of them possessed pre-eminently the *gift of government*; while by their side are found, often opposed to them others whose sphere lay principally in the *domain of thought*. The first clung more to the historical Messiah, and the traditions of the Jewish Synagogue; the second rather fixed their eyes on the risen Jesus Christ, the ever-living Eternal Word.

They all being His sheep listened intently to the inward voice of the Spirit, speaking through reason and submitted their will to be controlled by conscience. Such contrasts can only be made to work for good (as they are divinely designed to do) when there is a great common object of their affection, and a free community to work it with; a community in behalf of which the members, and above all, the leaders, are ready to live and die for it."

These Christians belonged to no nation and to no state, they were pilgrims and strangers passing through; but an eternal abode with Jesus was to them a "now" reality. The love of the brethren, in truth and not in words, made the Christian Congregation the foreshadowing of the Christian Commonwealth, a model for all ages to come!" Strome
