

STATEMENT OF FAITH AND PURPOSE

INTERNATIONAL Apostles & Pastors Fellowship
Meet International Theological University

International Apostles & Pastors Fellowship exists for the sole purpose of imparting the knowledge of the scriptures until we all come into the **UNITY OF THE FAITH**. We will simultaneously encourage man to apply knowledge to their lives, thereby gaining understanding and finally wisdom. We believe that man wants to return to the absolutes originally given in creation, the image of God and to live in unfeigned love and harmony with creation and his fellow man.

Man went into a fallen state through lucifer's devices. Subtly applied to Adam and Eve it plunged man into darkness and despair, the knowledge of good and evil. And yet, God through His mercy spoke to fallen man. The Light of God's authoritative voice has been penetrating man's darkness to bring him into harmony with Himself, the One God of creation.

The Pure Blood of Jesus (Yahshua) our Messiah is applied to our soul when we are *Buried with Him in Water Baptism.* This is our Mikveh which cleanses the repented soul by the Lord's Blood. We may then arise and shine in a new life when we receive the *Gift of the Holy Ghost,* empowering the soul to put on God's righteousness. We at Meet International Ministries are workers together with the Holy Ghost. Hebrews 10:15-25; Acts 1:8; 2:38-39.

This newfound life is opposite our old fallen carnal nature, which continues to try and bring us back into captivity and darkness. The struggle of man demands stronger leaders today, to disciple the end-time harvest. Meet International Ministries is committed to helping the Churches achieve a Christ like mind and life.

We require that students apply the scriptures to their daily lives, encouraging them by example, that Christianity is practical and not theoretical. We wholly support the scriptures which define God as the Father of creation, the Son in redemption, and the Holy Ghost in regeneration.

We fund our outreach by donations. Our curriculum and writings are available at subsidized costs to thousands who are underprivileged. A recent publication, "In the Name of the Father" is becoming widely accepted among scholars and beginning students. We are active in supporting with curriculum to churches in; Jamaica, Trinidad, Canada, China, Kenya E. A., and South India. During the past years since 1993 Meet International Ministries has affected thousands of lives, helping to bring the Glory of God's Light into the minds of men, women and children.

To help in achieving our mission statement, we are working closely with Bible Educators. We are providing Bible-Based Curriculum to Churches, their Colleges and Schools. At the same time, we are expanding our curriculum by encouraging Bible teachers in remote areas to submit their curriculum for circulation to others.

We take the name "Meet" from Colossians 1:9-18, meaning, "Competent." We feel confident that Meet International Theological University and its associates have permanently affected our world. We are prayerfully anticipating that God will provide workers to carry on this vision in the next generation, should the Lord Tarry.

We invite students from many countries to attend our seminars in Canada. We support the underprivileged in Alberta.
