Theology, is the study of God, Theo! To fulfill the first and greatest commandment, “though shalt love the Lord thy God.....” one must first know about His love towards His sons who are created in His image.

Read the scriptures of Samuel, Kings, Chronicles, Matthew, Mark, Luke and John for the purpose to learn how God has proven the fruit of His Spirit by His dealings with man. Then you will also know and see this same fruit in Jesus Christ, God in Flesh, Monotheism. You will then be able to set your love upon Him. Psalms 91.

Assistance is available by email. From time to time we will hold online seminars which students can log into for live chat. Credits for existing experience and studies in the curriculum listed will be given towards a Theology degree. You can send copies of your transcripts and or certificates along with your application.
